We have to update this information each time so as to have accurate records. This is a requirement of having use of the facilities.

It is a requirement of using the facility that we outline to you some basic rules.

Alcohol, Drugs and Smoking are strictly forbidden.

A high standard of language and behaviour is expected at all times.

Please, NO CELL PHONES operating during sessions

Anyone breaching the rules will be asked to leave the camp.

THE PROGRAMME

The timetable will be distributed when you arrive. There will be structured programme time for all participants whether you already play in a band or not. We will be performing the pieces we work on as an entire unit during the Sunday programme.

WHAT DO I DO TO PREPARE FOR CAMP?

The entire band will be working through some basics of music theory and all the elements required to perform as Pipers and Drummers in a working band. You can prepare by revising all of the rudiments and basic knowledge you have been taught and come to camp with an open mind ready to learn heaps more.

WHAT MAKES A SUCCESSFUL BANDSMAN

A large part of the reason for holding a workshop is to share knowledge about what it means to be a bandsman. There is far more than just playing your instrument to consider. We will be working through practice strategy, instrument care and performance skills as a beginning to this process.

SUPERVISION.

The tutors for this camp will be:

Malcolm Galloway, Raymond Malcolm, Ross Mallon, Lance Rairi

Tutors will be added based on enrolments.

CAMP WILL CONCLUDE AT 2PM SUNDAY PROVIDED WE HAVE COMPLETED ALL CLEANUP ACTIVITY
